I have read and understood the booking conditions and confirm that I accept them. I also acknowledge that horse riding is a high risk sport and holds a potential danger and that all horses may react unpredictably on occasions. I acknowledge that riding in remote locations amongst wildlife and difficult terrain also presents a risk. I also understand that Devon Riding Holidays is currently acting as a booking agent for your riding holiday package who are themselves reliant on 3<sup>rd</sup> party companies to provide your accommodation and horse riding. Your riding experience is booked with a BHS approved centre who offer riding for all levels of ability but can only offer beach rides to experienced riders over 12 years of age. Your accommodation is booked adjacent to the stable yard in Woolacombe North Devon. By signing you confirm your understanding of the above and that you **MUST** organise your own insurance to cover you and your party for any incident that may occur.
